RE: Arena Capital Costs

Dear [REDACTED]

Thank you for your query in regards to the Arena Upgrade Project. This multi-year project began in 2015 and included safety updates, Egress and East wing dressing room expansion. The City spent a total of \$13,546,118 for the Arena Expansion and Upgrade Project. Lacombe County contributed \$3,581,068 or approximately 26% of the cost.

Sincerely,
