

March 19<sup>th</sup>, 2019

Dear Residents of Lacombe,

As part of the City of Lacombe's West Area Servicing Project, a new water main is to be installed down Fairway Drive connecting to a water supply line in 58<sup>th</sup> Street. At this time, only the connection shown in orange on the drawing below will be installed. Another notice will be issued before the remainder of the water main is installed later this spring. The tentative schedule for construction start is on or about March 25<sup>th</sup>, 2019, and work in this area is anticipated to last 1 week (weather pending). Road closures and detours are planned as part of this phase of construction, requiring Garden Road to be used for alternate access. On street parking and driveway access within the work area will be restricted during construction.

The City of Lacombe will be providing a more comprehensive notice to residents in the coming weeks to advise them of other phases of work that will require parking restrictions and road or lane closures later this year.

During construction please keep a safe distance from the construction site and the equipment. The contractor will take every precaution to protect the public, but the contractor will need your assistance.

Hours of Construction will be from 7 am to 7 pm Monday to Saturday. Sunday work and evening work may also be required as weather and schedule requirements dictate. In these circumstances the noise bylaw will be adhered to.

Contact phone numbers are:

- Cordell Kuzemka, Assistant Estimator: 403-322-0055
- Thomas McCrae, Underground Foreman 403-895-1343
- Collin Carson, Site Superintendent 403-322-0049
- Ryan Lepke, Project Manager: 403-885-3089

City of Lacombe Contact – Amber Mitchell, Engineering Manager: 403-782-1259

If you have any questions or concerns, please call. Thank you for your patience during these interruptions.

Yours truly,

PIDHERNEY'S and the CITY OF LACOMBE
