

April 29th, 2019

Dear Residents of Lacombe,

As part of the City of Lacombe's West Area Servicing Project, a new water main will be installed along Highway 12/50th Ave connecting to a water supply line in 58th Street. In order to facilitate the necessary tie in work, 58th Street will be required to be closed from 50th Ave to 51st Ave with 56th Street used as an alternate route for traffic. Resident vehicle access south of 51 Ave will be provided from 51 Ave / 58 Street as shown in the blue area of the map on page 2.

The tentative schedule for construction start is on or about May 6th, 2019, and work in this area is anticipated to last 1 week pending weather & successful installation.

In addition to the 58th street road closure, a double lane closure on Hwy 12/50th Ave is required from 63rd street to 30 meters east of 58 street as shown in the orange area. East & west through traffic will be maintained using the two eastbound lanes. On street parking along 50th avenue and 58th street will be restricted to outside of the orange working area.

During construction please keep a safe distance from the construction site and the equipment. The contractor will take every precaution to protect the public, but the contractor will need your assistance.

Hours of Construction will be from 7 am to 7 pm Monday to Saturday. Sunday work and evening work may also be required as weather and schedule requirements dictate. In these circumstances the noise bylaw will be adhered to.

Contact phone numbers are:

- Cordell Kuzemka, Assistant Estimator: 403-322-0055
- Thomas McCrae, Underground Foreman 403-895-1343
- Collin Carson, Site Superintendent 403-322-0049
- Ryan Leppke, Project Manager: 403-885-3089

City of Lacombe Contact – Amber Mitchell, Engineering Manager: 403-782-1259

If you have any questions or concerns, please call. Thank you for your patience during these interruptions.

Yours truly,

PIDHERNEY'S and the CITY OF LACOMBE
