FOIP Section 17(1)

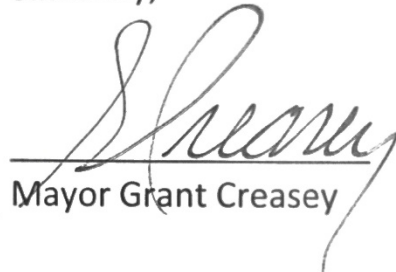

Dear FOIP Section 17(1):

Thank you for writing to me with your suggesting for a dinosaur park in Lacombe. What a fun idea and I certainly wish, like you, that we had plans for a dinosaur park!

I want to let you know that we do have very special figures in Popow's Park. There is a Wizard there, carved from a tree, and beside that there is a fierce (but well behaved) Dragon perched on a pile of books! The Dragon is reading to a wee little Mouse, and they have other friends, like elves and owls in the carving, reading or listening to the story. I hope you and your family will visit Popow's Park to see the Wizard and the Dragon. Please tell your parents the Park is at 5402-49 Street.

Thanks again FOIP Section 17(1), for taking the time to write to me. It is the best part of my job as Mayor to talk to young citizens like yourself, when you reach out to let me know what you think about Lacombe. Take care!

Sincerely,

Mayor Grant Creasey
