RE: Highway Speeds and City Garbage Trucks

Thank you for reaching out to the City regarding the speed of the City's garbage trucks on Highway 12. The garbage trucks are governed at 100km/h but occasionally go slower when climbing hills fully loaded. In these circumstances the drivers are instructed to move to the shoulder if safe to do so and allow other vehicles to pass. We have asked our drivers to continue with this practice.

Sincerely,

Matthew Goudy, P. Eng.
