Sweet Capone's

Italian bakery and cannoli shop

Success Story

Sweet Capone's Italian Bakery and Cannoli Shop opened its doors in Lacombe on July 31, 2016. Located on main street, this little Italian bakery is famous for their cannoli selection, as well as many other pastries and Italian specialties. The bakery is owned by a family comprised of Carina and Joel Moran, and Carina's parents - Deborah and Claude Solda. What began as a desire to share their family recipe for Nonna's cannoli has quickly turned into a thriving business within the City of Lacombe. Since opening, their establishment has been well received in the community with line ups out the door on a daily basis! They have recently expanded to include an Italian café and offer fresh gelato and daily lunch features.

Sweet Capone's is a proud supporter of community initiatives and encourages local commerce.
