

Naming of Streets, Areas & Public Facilities

**Policy Number: 61/146.01 (97)
Adopted:**

A reserve list will be maintained for use in naming streets, areas and public facilities. This list will be comprised of names of individuals who have achieved recognition within Lacombe for their community service or for provincial, national or international recognition.

Any person, group, or organization is encouraged to submit names for consideration. These will become part of the reserve list which Council will review when determining a name for a street, area or public facility. When accepting names from the public please have the individual provide the following information in letter form:

Name of the person being honoured

Brief description of why the individual should be recognized

Contact name and phone number of person submitting letter

These submissions will be held in File 61/146 97 FI.

If any staff member is aware of an individual they feel should be recognized, or have heard from the public regarding this matter, please submit their names for consideration.
